SALONE INTERNAZIONALE DEL MOBILE

Gli ambienti di un'abitazione esclusiva si susseguono, inanellati come in una collana: l'atrio con tavolo scultura, l'area conviviale, il living per la conversazione e la lettura, il salotto con camino che precede e conduce alla zona notte.

The spaces of an exclusive residence follow one another, ringed as in a necklace: the lobby with a sculpture table, the convivial area, the living room for conversation and reading, the sitting room with fireplace introducing the night area.

Dal soggiorno al pranzo e dallo studio alla camera da letto, il sistema Quid attraversa e unisce gli ambienti con librerie, pareti attrezzate e boiserie. I complementi arricchiscono tutti gli spazi raccontandone la personalità.

From the sitting to the dining room and from the study to the bedroom, Quid system crosses and joins together the spaces with bookshelves and accessorized wall panelling. The loose items enrich all the spaces giving them more character.

Armadi, cabine e boiserie sono pensati in continuità con la zona giorno, mentre tonalità armoniose, forme discrete, dettagli preziosi e tessuti ricercati trasformano la zona notte in una suite esclusiva.

Wardrobes, walk-in closets and wall panelling interact with the living room, while harmonious shades, discreet shapes, precious details and refined fabrics turn the night area into an exclusive suite.
