TABLES AND WRITING DESKS

TAVOLI E SCRITTOI

La proposta di tavoli è espressione della costante ricerca di eleganza nelle forme, nelle proporzioni e nei materiali che si traduce in dettagli distintivi e finiture di pregio.

L'ampia gamma offre soluzioni dalle forme diverse - rettangolari, quadrati, tondi e ovali - con ampia offerta di variabili dimensionali.

L'innata eleganza dei tavoli si percepisce sia nei basamenti dal disegno più essenziale, che nelle basi più scultoree: entrambe le soluzioni accolgono raffinate superfici d'appoggio che esaltano l'eccellente sperimentazione materica tra essenze, pietre, marmi e vetri.

Pensati in dialogo armonico con le sedute, coniugano estetica e funzionalità rendendo speciali i riti quotidiani legati alla convivialità e offrendo una soluzione valida alle esigenze *home-office*, trasformando agilmente lo spazio dining in un'area multitasking.

Gli scrittoi, funzionali e dal design sobrio, rappresentano una soluzione ideale sia per la zona living che per la zona notte. Dotati di cassetti e vani di contenimento, essi presentano piani realizzati con materiali sofisticati, ricchi di dettagli preziosi, che ne sottolineano il carattere esclusivo.

The Minotti selection of tables showcases the brand's constant pursuit of elegance in the shapes, proportions and materials of its designs, transformed into distinctive details and exquisite finishes.

The vast range offers solutions of various shapes - rectangular, square, round and oval - in a large offering of different sizes.

The intrinsic elegance of the tables is perceivable in the bases with an ultra minimal design, but also in those with a more sculptural aesthetic: both solutions comprise stylish surfaces that enhance the excellent mix and match of textures, featuring combinations of wood, stone, marble and glass.

Designed to create a harmonious dialogue with the seats, they combine aesthetic flair and functionality, making the everyday rituals of social life special, or offering a valid solution to the requirements of a home-office, by deftly transforming the dining space into a multitasking area.

The writing desks, practical and with a distinguished design, are an ideal solution for both the living and night areas.

Complete with drawers and storage compartments, they feature tops in sophisticated materials, full of fine details that underline their exclusivity.

In den Tischen mit ihren markanten Details und feinen Ausführungen schlägt sich die kontinuierliche Suche nach Eleganz in Formen, Proportionen und Materialien nieder. Das breite Sortiment umfasst Lösungen mit unterschiedlichen Formen - rechteckig, quadratisch, rund und oval - mit einer großen Bandbreite an Maßvariablen.

Die diesen Tischen innenwöhnende Eleganz zeigt sich sowohl in den Untergestellen von einem äußerst minimalistischen Design als auch in den eher skulptural gestalteten Untergestellen: Beide Lösungen setzen auf kunstvolle Auflageflächen, die das geschickte Experimentieren mit Materialien wie Hölzer, Steine, Marmor und Glas zur Geltung bringen. Entworfen wurden die Tische für einen harmonischen Dialog mit den Stühlen.

Sie vereinen Ästhetik und Funktionalität und machen die täglichen Rituale der Geselligkeit zu etwas Besonderem. Gleichzeitig werden sie den Bedürfnissen eines Home-Office gerecht, da sie es möglich machen, den Essbereich leicht in einen Multitasking-Bereich zu verwandeln.

Die funktionalen und nüchtern gestalteten Schreibtische mit Schubladen und Ablagefächern sind eine ideale Lösung sowohl für den Wohn- als auch für den Schlafbereich. Die Tischplatten sind aus erlesenen Materialien gefertigt und mit vielen edlen Details verziert, die den Akzent auf ihren exklusiven Charakter legen.

Les tables proposées par Minotti expriment une recherche constante de formes, de proportions et de matériaux élégants qui se traduit par des détails distinctifs et des finitions haut de gamme.

Les nombreuses solutions se déclinent dans différentes formes - rectangulaires, carrés, rondes et ovales - ainsi que dans de multiples dimensions.

L'élegance innée des tables est évidente autant dans les bases aux lignes essentielles que dans les bases plus sculpturales : ces deux options sont complétées par des surfaces d'appui raffinées qui permettent de souligner avec quel brio la marque parvient à jouer avec les matières, que ce soit le bois, la pierre, le marbre ou le verre.

Conçues pour instaurer un dialogue harmonieux avec les sièges, les tables conjuguent beauté et fonctionnalité pour rendre uniques les rituels quotidiens de la convivialité ou répondre de manière pertinente aux besoins du travail à domicile en transformant, en toute simplicité, les salles à manger en espaces multi-tâches. Fonctionnels et aux formes sobres, les secrétaires constituent une solution idéale tant pour les séjours que pour les chambres.

Dotés de tiroirs et de compartiments de rangement, ils se distinguent par des plateaux réalisés à l'aide de matières sophistiquées et foisonnant de détails qui soulignent leur qualité exceptionnelle.

The wide offering includes stools with grand formal elegance and slender forms, shaped and enhanced by flawlessly calibrated proportions. Available in various finishes and in different heights, they elegantly blend into domestic and Hospitality spaces.

Bequemlichkeit und perfekte Proportionen charakterisieren die Esszimmerstühle der umfangreichen Kollektion Minotti.

Ihr Kennzeichen ist eine zeitlose Eleganz und sie können mit Tischen verschiedener Formen und Materialien kombiniert werden, wobei sie mit der Leichtigkeit der Dicken und Volumen spielen. Charakteristisch sind ihre äußerst bequemen Rückenlehnen und gepolsterten Sitze, die einen ähnlichen Komfort wie ein Sessel bieten.

Sie werden mit und ohne Armlehnen angeboten, sind feststehend oder schwenkbar und erfüllen durch ihr Design eine Vielzahl von Bedürfnissen in Bezug auf Funktionalität und Ergonomie. Die Ästhetik der Sitze wird durch eine Verarbeitung mit Liebe zum Detail veredelt. Sie bringt die Virtuosität von Minotti in Hinsicht auf die Identifizierung origineller Kombinationen verschiedener Materialien zur Geltung, deren Verarbeitung von der großen handwerklichen Kunstfertigkeit des Unternehmens zeugt.

Zu der breiten Palette gehören Hocker mit perfekt kalibrierten Proportionen und schlanken Formen, die eine große formale Eleganz zum Ausdruck bringen.

Erhältlich sind sie in verschiedenen Ausführungen und Höhen und sie fügen sich dezent ins häusliche Ambiente wie auch in Hospitality-Räume ein.

Confort et perfection des proportions sont les maîtres mots des sièges dining de la riche collection Minotti.

Caractérisés par une élégance intemporelle, ils peuvent être assortis avec des tables aux formes et aux matières différentes.

Jouant avec la légèreté des épaisseurs et des volumes, ils se distinguent par des dossier et des assises rembourrés extrêmement confortables qui garantissent un niveau de confort similaire à celui d'un fauteuil.

Avec ou sans accoudoirs, fixes ou pivotants, les sièges sont conçus pour répondre aux besoins les plus variés en termes d'ergonomie et de fonctionnalité. Leur beauté est sublimée par une confection soucieuse des moindres détails qui souligne la maîtrise artisanale de Minotti et sa virtuosité en ce qui concerne les mariages originaux de matières distinctes.

La riche gamme de produits comprend des tabourets qui se singularisent par leur grande élégance formelle et leurs formes élancées, fruits de proportions parfaitement calibrées.

Disponibles en plusieurs finitions et hauteurs, les tabourets s'intègrent avec raffinement aussi bien dans les logements que dans les espaces de l'Hospitality.

CONTENITORI E LIBRERIE

L'ampia proposta di contenitori e librerie Minotti esalta la meticolosa ricerca dell'azienda sui materiali e la grande tradizione in tema di ebanisteria nella manifattura, coniugando stile ed eleganza con funzionalità e design. Caratterizzati da estrema versatilità e volumi rigorosi, linee pulite e proporzioni ben bilanciate, i contenitori e le librerie arredano con personalità e gusto le diverse aree della casa - dal living all'area pranzo e alla zona notte - offrendo molteplici soluzioni di contenimento con forme e dimensioni diverse. Volumi aperti o chiusi da ante, con cassetti disegnati secondo un'estetica perfetta, vani a giorno e vassoi integrati, anche pensati in abbinamento tra loro, definiscono l'ampio abaco dei contenitori. L'abbinamento attento di materiali e finiture di pregio, conferisce un indiscutibile valore aggiunto al design ricercato dei prodotti, personalizzando al contempo ogni tipo di ambiente. Le librerie, con la loro estetica contemporanea e le loro dimensioni contenute, connotano con grande raffinatezza l'apparente semplicità formale: si distinguono per un'orizzontalità rigorosa e decisa, intervallata da segmenti verticali, ripiani o ante e vani chiusi, che assicurano ampia superficie di appoggio e offrono un'elegante soluzione alla ripartizione degli spazi.

The wide offering of Minotti storage units and bookcases highlights the company's careful focus on choosing the finest materials and the grand cabinet-making crafting tradition, combining style and elegance with functionality and design. Characterised by extreme versatility and precise volumes, clean lines and well-balanced proportions, the storage units and bookcases tastefully furnish the different spaces in the home - from the living area to the dining and night areas - with character, offering a wide range of storage solutions in different shapes and sizes. Open volumes, or others closed by doors, with drawers in line with a perfect aesthetic, open compartments and built-in trays, also conceived to complement one another, define the large selection of storage units. The careful combination of fine materials and finishes, gives the stylish design of the products an undisputed added value, at the same time adding a personal touch to every type of environment. The bookcases, with their contemporary aesthetic and compact dimensions, add a distinctively elegant personality to the apparent simplicity of the shapes: they stand out for their bold, rigorous horizontal profiles, punctuated by vertical segments, closed shelves, spaces and compartments, ensuring large surfaces for displaying objects and dividing the spaces they occupy with sophisticated flair.

Die große Auswahl an Behältern und Bücherregalen von Minotti verdeutlicht die gewissenhafte Materialforschung des Unternehmens und die große Tradition der Möbeltischlerei bei der Herstellung. Stil und Eleganz verbinden sich in diesen Kreationen mit Funktionalität und Design. Eine extreme Vielseitigkeit sowie strenge Volumen, klare Linien und ausgewogene Proportionen prägen die Schränke und Bücherregale. Sie verleihen den verschiedenen Bereichen des Hauses - vom Wohn- über den Ess- bis zum Schlafbereich - Persönlichkeit und Geschmack und bieten vielfältige Aufbewahrungsmöglichkeiten in unterschiedlichen Formen und Größen. Offene Aufbewahrungslösungen oder Modelle mit Türen zum Verschließen und mit Schubladen von einer vollendeten Ästhetik, sowie offene Fächer und integrierte Tablets, die auch zum Kombinieren miteinander konzipiert sind, definieren das umfassende Behälter-Programm. Die wohlüberlegte Kombination von edlen Materialien und Oberflächen verleiht dem raffinierten Design der Produkte einen unbestrittenen Mehrwert. Gleichzeitig bleibt Raum für die individuelle Gestaltung jeder Art von Umgebung. Mit ihrer zeitgenössischen Ästhetik und ihrem kleinen Format zeichnen sich die Bücherregale mit großer Raffinesse durch ihre scheinbare formale Schlichtheit aus: Ihnen ist eine strenge und entschiedene Horizontalität zu eigen, durchsetzt von vertikalen Segmenten, Regalen oder Türen und geschlossenen Fächern, die für eine große Auflagefläche sorgen und eine elegante Lösung für die Raumaufteilung bieten.

Le vaste éventail de meubles de rangement et de bibliothèques de Minotti illustre la recherche méticuleuse que l'entreprise mène sur les matières et sa riche tradition en matière d'ébénisterie, un talent qui se traduit par des produits conjuguant le style et l'élegance avec la fonctionnalité et le design. Caractérisés par une extrême polyvalence, des volumes rigoureux, des lignes épurées et des proportions bien équilibrées, les meubles de rangement et les bibliothèques agrémentent avec goût et personnalité toutes les pièces de la maison - des séjours aux salles à manger en passant par les chambres - offrant ainsi de multiples solutions de rangement aux formes et aux dimensions les plus variées. La riche gamme de meubles de rangement comprend des volumes ouverts ou fermés par des portes, des tiroirs aux lignes tout simplement parfaites, des compartiments ouverts et des plateaux intégrés qui parfois se complètent. L'association soigneusement étudiée de matières et de finitions haut de gamme confère une valeur ajoutée incontestée au design raffiné des produits tout en permettant de personnaliser n'importe quel espace. Grâce à leur aspect contemporain et à leurs dimensions réduites, les bibliothèques se distinguent par une simplicité formelle d'une grande finesse : leur horizontalité franche et rigoureuse entrecoupée de segments verticaux, d'étagères ou de portes et de compartiments fermés assure beaucoup de place de rangement tout en offrant une solution de répartition des espaces particulièrement élégante.

LETTI E COMPLEMENTI

Perfetti interpreti della zona notte, i letti della proposta Minotti devono il loro carattere esclusivo all'alta qualità dei materiali dei singoli elementi che li compongono e alla cura minuziosa dei dettagli di confezione che rendono unici i prodotti.

Elegant ed ergonomici, essi si distinguono per la loro sobrietà formale e le loro proporzioni equilibrate, che si traducono in un'estetica sofisticata capace di rispondere con personalità a stili e gusti diversi.

Morbidi e avvolgenti, progettati per offrire grande comfort e una sensazione di accogliente intimità, presentano strutture con *sommier* unici o divisi, con telai a doghe o pianali in legno, oppure con struttura a molle insacchettate, che accolgono materassi con differenti gradi di densità.

Elemento di spicco, la testata imbottita rivestita in tessuto o pelle è disponibile in diverse dimensioni e configurazioni ed è spesso impreziosita da piccole trapuntature o dettagli decorativi esclusivi. Proposti in varie dimensioni per rispondere a esigenze ergonomiche differenti, i letti Minotti sono progettati per offrire massimo relax e una corretta postura per la lettura.

Un'ampia gamma di copriletti e plaid, realizzati con materiali soffici, pregiati e dall'alta fattura artigianale, vestono con raffinatezza i letti in collezione, valorizzandone l'estetica e donando loro un tocco di eleganza e morbidezza.

Accanto ai letti, piccoli e indispensabili, i comodini Minotti sono elementi d'arredo estremamente versatili che conferiscono personalità alla zona notte. Funzionali e ricercati, giocano con i contrasti di forme e materiali, e si abbinano con facilità ai volumi del letto e allo stile della camera.

Perfect exponents of the night area, the beds in the Minotti range owe their exclusive character to the high quality of the materials used to make each individual element, and the meticulous craftsmanship invested in the details which make the products unique.

Elegant and ergonomic, they stand out for their stylish, understated shapes and well-balanced proportions, which combine to form a sophisticated look capable of offering a bold response to all kinds of different styles and tastes.

Soft and enveloping, designed to offer maximum comfort and a sensation of welcoming intimacy, they feature single or separated sommiers, frames with slats or wooden panels, or a pocket spring structure, accommodating mattresses with a range of different thicknesses.

A distinctive element, the padded headboard covered in fabric or leather comes in different sizes and configurations, often enhanced by small quilted areas or exclusive decorative details. Proposed in a range of sizes to meet different ergonomic requirements, the Minotti beds are designed to offer the utmost relaxation, and encourage correct posture for reading.

A wide ranging selection of covers and blankets, made with fine, soft, artisan-crafted materials, elegantly dress the beds in the collection, enhancing their aesthetic appeal and giving them a touch of elegance and softness.

Alongside the beds, the small, essential Minotti bedside tables are extremely versatile furnishing elements that add character to the night area. Functional and stylish, they play around with shapes and materials, and can easily be matched with the volumes of the bed and the style of the room.

Als perfekte Interpreten des Schlafbereichs verdanken die Betten in Minottis Sortiment ihren exklusiven Charakter der hohen Qualität der Materialien der einzelnen Elemente, aus denen sie zusammengesetzt sind, sowie den sorgfältig verarbeiteten Details, die die Produkte einzigartig machen.

Elegant und ergonomisch, zeichnen sie sich durch ihre formale Nüchternheit und ausgewogenen Proportionen aus, die sich in einer raffinierten Ästhetik niederschlagen. Diese spricht verschiedene Stile und unterschiedliche Geschmäcker auf ihre eigene Art an.

Die Betten sind weich und von einladendem Design, so dass sie hohen Komfort bieten und ein Gefühl von behaglicher Intimität erzeugen. Sie haben Bettrahmen mit einzelnen oder geteiltem Sommier, Lattenroste oder Holzgestelle oder Auflagen mit Taschenfederstruktur sowie Matratzen mit unterschiedlichem Dichtegrad.

Ein herausragendes Merkmal ist das gepolsterte Kopfteil, das mit Stoff oder Leder bezogen ist und in verschiedenen Größen und Konfigurationen erhältlich ist.

Oft ist es mit kleinen Steppungen oder exklusiven dekorativen Details verziert. Die Betten von Minotti sind in verschiedenen Größen erhältlich, um unterschiedlichen ergonomischen Bedürfnissen gerecht zu werden, und sind so konzipiert, dass sie maximale Entspannung bieten und eine korrekte Lesehaltung begünstigen.

Eine große Auswahl an Tagesdecken und Plaids aus flauschigen, kostbaren Materialien und von hochwertiger Machart kleiden die Betten der Kollektion auf elegante Weise.

Sie stellen ihre Ästhetik heraus und verleihen ihnen einen Hauch von anschmiegsamer Exklusivität. Neben den Betten, klein und unentbehrlich, sind die Nachtische von Minotti äußerst vielseitige Einrichtungsgegenstände, die dem Schlafbereich Persönlichkeit verleihen. Funktional und raffiniert, spielen sie mit den Kontrasten von Formen und Materialien und passen sich ohne weiteres dem Volumen des Bettes und dem Stil des Zimmers an.

Parfaits interprètes des chambres à coucher, les lits de Minotti se caractérisent par un très haut *standing* résultant de la qualité exceptionnelle des matières de chaque élément qui les composent et du soin méticuleux accordé aux détails de confection qui rendent chaque produit unique.

Élégants et ergonomiques, les lits se distinguent par leur sobriété formelle et leurs proportions équilibrées qui donnent naissance à une beauté sophistiquée parvenant à conférer du caractère aux styles et aux goûts les plus divers.

Moelleux, douillets et conçus pour offrir le plus grand confort ainsi qu'une sensation d'accueillante intimité, les lits sont disponibles avec sommiers uniques ou sommiers partagés, cadres à lattes ou structures en bois ou bien à ressorts ensachés afin d'accueillir des matelas présentant différents degrés de densité.

Élément de premier plan, la tête de lit rembourrée et habillée de tissu ou de cuir est disponible en plusieurs tailles et configurations et est souvent ornée de petits capitonnages ou de détails décoratifs particulièrement raffinés. Proposés dans plusieurs dimensions afin de répondre aux besoins ergonomiques les plus variés, les lits Minotti sont conçus pour offrir un maximum de détente et une bonne posture de lecture.

Une riche gamme de couvre-lits et de plaids, réalisés dans des matières moelleuses, nobles et d'excellente facture artisanale habillent avec finesse les lits de la collection, sublimant leur beauté et leur conférant une touche d'élegance et de douceur.

À côté des lits, les tables de chevet Minotti - petites mais indispensables - représentent des éléments d'ameublement extrêmement polyvalents qui apportent du cachet à la chambre à coucher. Fonctionnelles et raffinées, elles jouent sur les contrastes de formes et de matières et s'accordent facilement avec les volumes des lits et le style des chambres.

RUGS COLLECTION

COLLEZIONE TAPPETI

L'ampia offerta di tappeti Minotti comprende manufatti esclusivi realizzati artigianalmente con l'utilizzo di materiali naturali - come lana, lino, cotone o Lyocell®, una fibra prodotta dalla cellulosa - per conferire una sensazione di calda intimità e una nota di raffinata eleganza agli interni.

Disponibili in varie forme - rotonda, quadrata, rettangolare o ovale - o personalizzabili in termini di dimensioni, sono stati progettati per valorizzare gli ambienti e per sottolineare la silhouette degli elementi d'arredo.

Valorizzati da effetti tridimensionali come cornici e bassorilievi, motivi grafici e cromie esclusive, giocano sull'espressività degli spessori del manto accentuandone la morbidezza e il comfort tattile e visivo.

L'ampia gamma cromatica a catalogo attinge principalmente a tinte naturali e delicate che richiamano i colori della terra, favorendo combinazioni di colore inattese che giocano sul contrasto, sull'effetto *ton-sur-ton* oppure su campiture decisive.

Minotti's wide range of rugs includes exclusive creations hand-crafted in natural materials - such as wool, linen, cotton and Lyocell®, a cellulose-derived fibre - which bestow a warm, cosy feel and add a note of refined elegance to interiors.

Available in a variety of shapes - round, square, rectangular or oval - or in a custom size, they have been designed to complement the settings and highlight the shape of the furniture.

Enhanced by three-dimensional effects such as borders and reliefs and by exclusive patterns and colours, their softness and tactile and visual appeal are expressed through the effects of varying thicknesses of pile.

The wide colour range in the catalogue mainly draws on subtle, natural shades which reference the colours of the earth, favouring unusual colour combinations that play on contrasts, tone-on-tone effects, or bold backgrounds.

Das umfassende Teppichsortiment von Minotti umfasst exklusive handgefertigte Produkte, bei denen natürliche Materialien - wie Wolle, Leinen, Baumwolle oder Lyocell®, eine aus Zellulose hergestellte Faser - verwendet werden, um Innenbereichen ein Gefühl von warmer Intimität und einen Hauch von raffinierter Eleganz zu verleihen.

Sie sind erhältlich in verschiedenen Formen - rund, quadratisch, rechteckig oder oval - oder anpassbar in der Größe, und wurden entworfen, um Räume aufzuwerten und die Silhouette der Einrichtungselemente zu betonen.

Verstärkt durch dreidimensionale Effekte wie Rahmen und Basreliefs, graphische Motive und exklusive Farben, spielen sie mit der Ausdruckskraft der Dicke des Flors und betonen seine Weichheit sowie den taktilen und visuellen Komfort.

Die breite Farbpalette des Katalogs stützt sich vor allem auf natürliche und zarte Töne, die an die Farben der Erde erinnern. Dabei überwiegen unerwartete Farbkombinationen, die mit Kontrast, Ton-in-Ton-Effekt oder starken Hintergründen spielen.

Le riche éventail de tapis Minotti comprend des produits haut de gamme fabriqués artisanalement à l'aide de matières naturelles - laine, lin, coton ou Lyocell® (une fibre issue de la cellulose) - pour conférer aux espaces intérieurs une chaleureuse sensation d'intimité et une touche d'élegance sophistiquée.

Plusieurs formes de tapis sont disponibles : ronde, carrée, rectangulaire ou ovale. Grâce à leurs dimensions personnalisables, les tapis Minotti sont parfaits pour sublimer les pièces et faire ressortir les profils des éléments d'ameublement.

Mis en valeur par des effets 3D comme des cadres, des bas-relief, des motifs graphiques ou des couleurs uniques, les produits jouent sur l'expressivité des épaisseurs de poils pour mieux mettre en avant leur moelleux, leur confort tactile et leur beauté visuelle.

Basée principalement sur des couleurs délicates et naturelles évoquant les nuances de la terre, la riche palette de couleurs du catalogue favorise les associations de couleurs inattendues jouant sur les contrastes, les effets ton sur ton ou les fonds à forte personnalité.
